

# All Shades of Skin Are Beautiful

## *Skin Tone Matching Game*

### Directions:

**Ages 3 and up:** Cut out the skin tones and words. Match them to each other. For younger kids, help them with the cutting and matching. When finished, ask the child to pick the tone that matches their skin the closest. Have them say, *“My skin tone is \_\_\_\_\_, and I celebrate and love it.”*

**Under 3:** Point to the color and tell them, *“This color is named...”* When you tell them the name of each color, point to their skin and say, *“Your skin is named...and it is beautiful.”*

### Word Bank:

Ivory	Cream	Almond
Honey	Olive	Sand
Copper	Deep Almond	Umber
